She reported that in the last 12 months she has consistently seen some stability of continued improvement. She also presented the ranking for discharge information, was the patient given information in writing when they were discharged. One of the things we are doing to improve this domain is having the Unit Practice Council take a look at these areas of focus.

Quality:

Med-Surg Cluster Practice Council: Ms. Paulo introduced Lisa Sandberg, BSN, RN, CPN and Anna Mercado, BSN, RN, ONC. Ms. Sandberg shared that she works in Pediatrics on the night shift and

has been with the organization for 26 years. Anna Mercado, BSN, RN, ONC, works on 4 Main on the night shift and has been with the organization for 15 years and is the Chair of the Med-Surg Cluster Practice Council.

Ms. Mercado reported that the Med-Surg Cluster Practice Council is comprised of RNs from 3 Main/3 Tower, 4 Main, 4 Tower/Oncology and Ortho/Neuro/Spine (ONS) and Pediatrics. Agnes Lalata, Director of Med-Surg is the Advisor. The purpose of the Med-Surg Cluster Practice Council is to:

- ✓ Identify and resolve clinical and system issues impacting or affecting care coordination, a healthy work environment, the delivery of patient-family centered care, patient safety and clinical outcomes; and
- ✓ Improve nursing practice, increase nurse satisfaction, achieve excellent patient outcomes and improve patient satisfaction.

The Med-Surg Cluster Practice Council has worked on a few initiatives and projects over the last few years based on referrals submitted by their staff who identify areas of opportunities for improvement in their practice areas. The council collaborates with other stakeholders to help formulate solutions such as:

Initiatives:

- Quietness at Night – Review patient experience metrics. The goal is to provide a healing environment for patients.
- Bedside Shift Report Champions – Help educate and encourage role model bedside shift report.
- Magnet® Champions – Help educate staff about the Magnet Journey and participated in the Magnet virtual survey.

Each recipient receives a small gift and a certificate.

Current Projects:

- Collaborated with the Education Department and created a Professional Development Binder for each unit. Each binder provides information about colleges providing information about BSN and ADN programs, unit specific certifications, and information regarding RN3 designation.
- Collaborated with Patient Experience with patient lost belongings
- Staff Education for Fall Risk & Intervention

Opportunities for Improvement:

- Fall Reduction
 - Developed Fall Risk Clinical Panel
 - Improve communication board utilization for Fall Risk and Activity
- Prevention of Hospital Acquired Pressure Injury (HAPI)
- Peer Feedback Focus: Turn Q2 hours and assess for device related injury
- Improve Communication about Medication

- Ambulated our first mechanically ventilated patient in conjunction with physical therapy and nursing last week.

Mr. Villaneda shared a video of the mock runs they are doing to safely transport COVID patients. The video is used to train staff.

On October of 2020 during Respiratory Care Week, the Respiratory Care Department was recognized by The California Society for Respiratory Care (CSRC) as the 2020 Respiratory Therapy Department of Excellence. A brief video of the recognition was shared. The Respiratory Care Department was given the award for the Greater Bay Area Region. Recognition was received for respiratory care protocols that are in place at SVMH, weaning protocols to keep vent days of 5 days or less, COPD education and community outreach of Asthma Day Camp.

The Respiratory Care Department was also recognized by the American Association of Respiratory Care which is a governing body at a national level. This past July, the 2021 Annual Dr. Mark Velcoff Asthma Camp celebrated its 36th year. The kids had a lot of fun that included fun activities, education and tools they can use for their everyday life. The Asthma Camp was also featured on KION and in the Monterey Herald recognizing SVMHS' contribution to the community for children with asthma.

Adrienne Laurent, Chief Strategic Communications Officer, commented that the Asthma Day Camp would not happen without Respiratory Care. They step-up and take a leadership position and they do such a great job with the kids to make it happen. She is grateful for them because they brought back the Asthma Day Camp.

Mr. Delgado thanked Mr. Villaneda for continuing to support the Asthma Camp and congratulated him and his team for the recognitions. Mr. Villaneda noted that the Respiratory Therapists work hard to get us to that level. It is a team effort.
