# 4. CONSIDER RECOMMENDATION TO THE SVH BOARD OF DIRECTORS TO APPROVE (i) THE PURCHASE OF AN ADDITIONAL 5.9143 UNITS OF VOTING MEMBERSHIP INTEREST IN MONTEREY PENINSULA SURGERY CENTER, AND (ii) THE EXECUTION OF THE SUBSCRIPTION AGREEMENT BY THE INTERIM PRESIDENT/CEO, AS PRESENTED.

Gary Ray reported that key strategic objective for Salinas Valley Health is to develop and expand partnerships that drive value for our patients. Recognizing the importance of providing a low cost, high quality option for surgical services needed by our residents, Salinas Valley Health has pursued greater investment in our partnership with Monterey Peninsula Surgery Center (MPSC). SVH presently owns slightly more than 13.5% of MPSC, which operates surgery centers in Salinas, Monterey, and Santa Cruz. MPSC has notified SVH that there are additional shares available for purchase and MPSC's board has approved the sale of an additional member interest to SVH. The company valuation of MPSC was most recently appraised at six hundred fifty-five thousand dollars (\$655,000) per one percent (1%) for voting units. The proposed transaction is the acquisition of 5.9143 voting membership interests at a purchase price of one hundred ninety-six thousand five hundred dollars (\$196,500.00). This additional investment will increase SVH's total ownership interest in MPSC to just under fourteen percent (13.8206%). A full report including estimated MPSC market value was included in the packet.

**COMMITTEE MEMBER DISCUSSION:** The current relationship with Monterey Peninsula Surgery Center has been a lucrative and profitable. Strategically a higher percentage of voting units will be a benefit to SVH and our patients. There was a clarification of voting units versus ownership interest. This purchase would bring our interest to 13.8206%. It was noted this topic is also within our Service Pillar.

# PUBLIC COMMENT:

None

# **MOTION:**

Upon motion by Committee member Dr. Radner and second by Committee member Lopez, the Finance Committee recommends Board of Directors approve (i) the purchase of an additional 5.9143 units of voting membership interest in Monterey Peninsula Surgery Center for the amount of \$196,500.00, and (ii) the execution of the subscription agreement by the Interim President/CEO, as presented.

# 5. CONSIDER RECOMMENDATION FOR BOARD APPROVAL OF CONTRACT FOR PERFUSION SERVICES WITH PRIME PERFUSION, INC.

Clement Miller, COO, Perioperative Services Director reported the perioperative services department is seeking approval to enter into a Perfusion Services Agreement between Salinas Valley Health and Prime Perfusion, Inc. for a two (2) year term through March 2026. Approval of this contract will allow the Cardiac Service line to transition to a new provider of perfusion services, following the completion of the required RFP process. This transition is a 27% increase over our current provider, increasing our monthly expense from \$54,337.50 to \$69,000.00, but was the lowest bidder of the three proposals received.

The current demand for perfusionists is exceedingly high, with staffing shortages in hospitals throughout the country. At most, there are 120-150 new perfusion graduates in a year in the United States. The low rate of available perfusionists coupled with the increased demand for their services has dramatically increased the rate required to secure a team that can effectively support our cardiac surgery and structural heart programs 24 hours a day, 7 days a week. In addition to Prime, our team reached out to an additional three perfusion service providers to assess the availability and cost of potentially transitioning to a new provider. The outcome of the inquiry confirmed that transitioning to a relationship with Prime Perfusion, Inc is the best option for Salinas Valley Health, due to availability of services in our area, the overall cost of the contract, and the team's commitment to our organizations cardiac program. A full report was included in the packet.

**COMMITTEE MEMBER DISCUSSION:** It was noted our previous provider retired. Prime Perfusion has filled in gaps of service in the past. Open heart surgery is steady, and perfusion services are also used in structural heart procedures.

PUBLIC COMMENT:

None

# **MOTION:**

Upon motion by Committee member Dr. Radner and second by Committee member Dr. Bajaj, the Finance Committee recommends Board of Directors approve the Two (2) year Perfusion Services Agreement with Prime Perfusion, Inc., for total cost of \$1,656,000.

# **ROLL CALL VOTE:**

Ayes: Hernandez-Laguna, Cabrera, Dr. Radner, Lopez, and Bajaj; Nays: None; Abstentions: None; Absent: None.

# **Motion Carried**

# Board Paper: Finance Committee

| Agenda Item:       | Consider Recommendation for Board Approval of the Lease Agreement Amendment One between Salinas Valley Memorial Healthcare System (SVMHS) and Uni-Kool Partners for Parking Located at 241 Abbott Street, Salinas, CA (70,000 sq. ft. supplementation of current leased space). |
|--------------------|---|
| Executive Sponsor: | Clement Miller, Chief Operating Officer<br>Earl Strotman, Director Facilities Management & Construction   |

Date: April 22, 2024

#### Executive Summary

As part of the strategy to relieve vehicle-parking shortages at and around the hospital site, a recommendation is presented to extend the lease an 87,120 sq. ft. parking lot located at 241 Abbott Street, to ensure that we maintain adequate patient and visitor parking at and around the hospital campus in addition to ensuring the availability of parking at the surrounding clinic offices.

#### Background/Situation/Rationale

SVMHS currently leases 157,120 sq. ft. of parking space at 241 Abbott Street which accommodates 441 parking spaces, through two lease agreements for adjoining lots (Lot A – 87,120 sq ft, Lot B – 70,000 sq ft). These lease agreements were initiated to support vehicle parking at and around the hospital campus during the construction of the DRC Annex in addition to 355 Abbott (Primecare / Diabetes and Endocrine Center) which does not meet the then current demand (defined by the city of Salinas).

- Lot A 230 Spaces currently on a month to month agreement
  - Lot B 211 Spaces, currently in the second year of a 5 year lease
    - Requires an easement through Lot A, to access.

With construction of the Downing Resource Center Parking Garage Annex completed SVH entered into negotiations with Uni-Kool Partners to exit the five year lease for Lot B, while committing to a five year lease extension for Lot A exercising the previously approved extension clause in alignment with the language proposed in the original lease agreement.

Reducing the overall square footage outlined in the current leases, reduces the organization's annual expense by \$117,600, while maintaining adequate off-site parking for clinic staff who work around the hospital campus as well as Primecare.

#### Pillar/Goal Alignment:

 $\boxtimes$  Service  $\square$  People  $\square$  Quality  $\boxtimes$  Finance  $\square$  Growth  $\boxtimes$  Community

#### Financial Implications

The essential terms of the proposed Lease are as follows:

| Key Contract Terms         | Uni-Kool Partners  |
|----------------------------|--|
| 1. Proposed effective date | May 1, 2024  |
| 2. Term of agreement       | Five (5) years with 1 option to extend, for five (5) years commencing May 1, 2024  |
| 3. Renewal terms           | N/A  |
| 4. Cost                    | 70,000 square feet at \$0.14 / sq. ft. at the cost of \$711,068.40 over the duration of initial contract (\$11,851.14 month / \$142,213.68 annually) |
| 5. Budgeted (indicate y/n) | Yes  |

March 2024 – Negotiations completed May 2024 – Anticipated Start Date of Parking Space Lease.

#### **Recommendation**

Consider Recommendation for Board Approval of the Lease Agreement Amendment One between Salinas Valley Memorial Healthcare System and the Uni-Kool Partners for 87,120 square feet of finished parking area located at 241 Abbott Street, Salinas, CA 93901, at the annual rate of \$142,213.68 for a 5 year term.

#### **Executive Summary**

Salinas Valley Memorial Healthcare System is looking to lease a District owned undeveloped vacant lot located at 740 E. Romie Lane, Salinas, CA to Pacific Coast Post Acute, a business located adjacent to said property for the purposes of employee parking.

#### **Background/Situation**

740 E. Romie Lane, Salinas, CA is an undeveloped mix-use zoned lot located 0.2 miles from the hospital, at just over ½ acre, or 25,000 square feet. The District has no immediate plans for developing this property.

A local business Pacific Coast Post Acute inquired with Hospital Management into the possibility of leasing this vacant lot just south of their main business located at 720 E. Romie Lane, Salinas, CA for the purposes of expanded employee parking as a means to alleviate congested parking along the 700 block of E. Romie.

Under the terms of the Proposed Lease, Pacific Coast Post Acute will be responsible for improvements on the property, including permitting, paving, fencing, security access and fencing. Pacific Coast Post Acute is ideally situated to minimally develop this land for the purpose of employee parking without inferring City and other local code required improvements rendering any use of property cost prohibitive.

Either party may terminate this Lease at any time, with or without cause, by providing the other party 180 days prior written notice. The date stated in such notice or the date stated in any notice pursuant to the other termination provisions provided herein shall be deemed the date upon which this Lease terminates (the "Termination Date").

4. **Rent.** Tenant shall pay to Landlord as rent for the Premises the amount of <u>One Thousand</u> <u>Eight Hundred (\$1,800.00) per month</u>, payable on the 1<sup>st</sup> day of each month for the Term of the Lease. Despite any other provision of this Section 5, beginning on the First Anniversary of the Commencement Date, and on each successive anniversary thereafter during the Term ("Adjustment Date") Rent shall be increased by one-hundred percent (100%) of the percentage of increase, if any, shown by the Consumer Price Index for All Urban Consumers U.S. City Average, All Items (base years 1982-1984 = 10) ("Index"), published by the United States Department of Labor, Bureau of Labor Statistics, for the month immediately preceding the Adjustment Date as compared with the Index for the month immediately preceding the Commencement Date but in no event shall the increase be more than more than 3.0% per year. Tenant shall calculate the amount of this increase in Rent after the Department of Labor publishes the statistics on which the amount of the increase will be based. Tenant shall provide landlord notice of the amount of the increase, and shall pay this amount, together with the month rent next becoming due under this Lease, and shall thereafter pay the monthly rent due under this Leas at this increased rate, which shall constitute the Rent.

# 5. Taxes and Assessments.

5.1Tenant's Liability. Tenant covenants and agrees to pay and discharge, during the entire Term, before delinquency, all assessments, possessory interest taxes, water charges, sewer charges, utility rates and fees, levies or other charges, general, special, ordinary, extraordinary and otherwise, of every kind and character that are or may during the Term be levied, charged, assessed or imposed as a result of Tenant's use of the Premises, or against any of Tenant's personal property now or hereafter located thereon, or that may be levied, charged, assessed or imposed upon or against the leasehold estate created hereby. At the Commencement Date and the Termination Date, such taxes, assessments and other charges to be paid by Tenant shall be prorated on the basis of the fiscal year of the taxing authority in question so that, at the Commencement Date and the Termination Date, as to any such taxes, assessments and other charges levied or assessed for a fiscal year preceding the commencement or extending beyond the end of the Term, Tenant will pay only such proportion of such taxes, assessments and other charges as the portion of such fiscal year following the commencement and preceding the end of the Term bears to the entire fiscal year. Each party will be responsible for paying its own income taxes with respect to any and all income derived from the Premises or from the rental payments from Tenant to Landlord. The Parties acknowledge that the Premises is currently exempt from real property taxes and assessments, and that the Premises (and any improvements thereto) shall continue to remain exempt from real property taxes and assessments as both Landlord and Tenant are exempt from real property taxes, except for the imposition of possessory interest taxes to be levied against the property due to Tenant's leasehold interest.

5.2 **Limitation on Tenant's Liability.** Notwithstanding anything herein to the contrary, Tenant shall not be required to pay any franchise, capital levy, or transfer tax of Landlord, or any net income tax measured by the income of Landlord from all sources, or any tax that may, at any time during the Term, be required to be paid on any gift, demise, deed, mortgage, descent or other alienation of any part or all of the estate of Landlord in and to the Premises or any buildings or improvements that are now or hereafter located thereon, except as hereinafter provided. If Tenant shall be required by law to pay and pursuant thereto does pay any tax, assessment or charge specified in this Section 5.2, then Landlord shall, immediately upon request, reimburse Tenant for any such payments. Any documentary transfer tax assessed upon the creation of a leasehold interest in the Premises under this Lease shall be paid by Tenant.

6. **Quiet Enjoyment.** Landlord covenants that upon payment by Tenant of the rent herein reserved and upon performance and observance by Tenant of all of the agreements, covenants and conditions herein contained on the part of Tenant to be performed and observed, Tenant shall

peaceably hold and quietly enjoy the Premises during the entire Term without hindrance, molestation or interruption by Landlord or by anyone lawfully or equitably claiming by, through or under Landlord.

7. Use. Tenant shall have the right to use the Premises for any lawful purpose; provided, however, in no event shall the Premises be used for any purpose or use (nor shall any activity be carried on upon the Premises) that in any manner causes, creates or results in a public or private nuisance or would be deemed by Landlord, in its' sole discretion, to be inconsistent with the Landlord's mission. Tenant plans to develop and use the Premises for parking purposes, and no other uses of the Premises shall be undertaken by Tenant without the express written permission of Landlord. In addition, Tenant agrees as follows:

7.1 **Changes in Permitted Uses**. If Tenant desires to change the use from parking, such change in use shall require the prior approval of Landlord, which shall not unreasonably withheld provided that said change will not require the construction of permanent structures on the Premises.

7.2 **Compliance With Laws**. Tenant shall, at Tenant's sole cost, promptly comply with all Laws, and with the requirements of any governmental authority having jurisdiction over the Premises, utility companies serving the Premises, or other similar bodies now or hereafter constituted, relating to, or affecting the Premises or the condition, use, or occupancy of the Premises, including the obligation to make improvements, repairs, and alterations required by such Laws, regardless of the cost thereof, at what point in time during the Term compliance is required, and whether such compliance was foreseen or unforeseen. The judgment of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord is a party thereto or not, that Tenant has violated any of the foregoing shall be conclusive of that fact between Landlord and Tenant. Tenant shall immediately furnish Landlord with a copy of any notices received from any governmental agency, insurance company, or inspection bureau in connection with the Premises.

Tenant may reasonably and in good faith contest any Law through appropriate proceedings, and, during such contest, Tenant need not comply therewith; provided further that Tenant shall at all times reasonably protect the interests of Landlord under this Lease, shall Indemnify Landlord from all Claims actually and reasonably incurred as a result of the contest, and shall promptly comply with any such contested Law if any such contest is resolved against Tenant. Tenant agrees to Indemnify Landlord or any officer, director, employee, partner, agent, or contractor of Landlord (Authorized Representative) from and against any Claims imposed or sought to be imposed on or involving Landlord for any violation or alleged violation of any such Laws.

7.3 **Landlord's Access to Premises**. In addition to Landlord's rights pursuant to the following paragraph, Landlord reserves the right for Landlord and Landlord's Authorized Representatives to enter the Premises at any reasonable time (a) to inspect the Premises; (b) to determine whether Tenant is complying with Tenant's obligations under this Lease; (c) to perform any other obligation of Tenant after Tenant's failure to perform same; or (d) if Tenant defaults under this Lease.

# 8. Title to Buildings and Improvements.

8.1 **Assignment to Tenant.** Title to all structures and improvements (collectively, the "Improvements") that now, or may from time to time constitute a part of the Premises, machinery, equipment and fixtures that are now, or may from time to time be, used, or intended to be used in connection with the Premises, shall be and remain in Tenant until the termination of this Lease. Landlord and Tenant expressly acknowledge that, attendant to the transfer of title to any existing improvements. Upon the termination of this Lease, title to all Improvements, equipment and fixtures shall pass to and vest in Landlord without cost or charge to it.

8.2 **Transfer to Landlord.** Tenant, on termination of this Lease, shall execute and deliver any and all deeds, bills of sale, assignments and other documents that in Landlord's reasonable judgment may be necessary or appropriate to transfer, to evidence or to vest in Landlord clear title to any of the property described in Section 8.1 located on the Premises at the time of such termination.

9. **Permits and Licenses.** Landlord will from time to time during the Term execute and deliver all applications for permits, licenses or other authorizations relating to the Premises required by any municipal, county, state or federal authorities, or required in connection with the construction, reconstruction, repair or alteration of the Parking lot, the Improvements now or hereafter constituting a part of the Premises. Landlord will from time to time during the Term execute, acknowledge and deliver any and all instruments required to grant rights-of-way and easements (in accordance with Section 7) in favor of municipal and other governmental authorities or public utility companies incident to the installation of utilities reasonably required for the use and occupancy of the Premises. Tenant shall reimburse Landlord for any sum paid by Landlord in respect of the matters specified in this Section 9.

# 10. **Repairs, Governmental Regulations and Waste.**

10.1 **Tenant's Obligation.** Tenant shall, during the Term, at its own cost and expense and without any cost or expense to Landlord:

10.1.1 Keep and maintain all improvements now or hereafter located on the Property (subject to Tenant's right to demolish) and all appurtenances thereto in good and neat order and repair and shall allow no nuisances to exist or be maintained therein. Tenant shall likewise keep and maintain the grounds, sidewalks, roads and parking, and landscaped areas in good and neat order and repair. Landlord shall not be obligated to make any repairs, replacements or renewals of any kind, nature or description whatsoever to the Premises or any buildings or improvements now or hereafter located thereon, and Tenant hereby expressly waives all right to make repairs at Landlord's expense under California Civil Code Sections 1941 and 1942 or any amendments thereof; and

10.1.2 Comply with and abide by all federal, state, county, municipal and other governmental statutes, ordinances, laws and regulations affecting the Premises, all buildings and improvements now or hereafter located thereon, or any activity or condition on or in the Premises.

10.2 **No Waste.** Tenant agrees that it will not commit or permit waste upon the Premises other than to the extent necessary for the removal of any buildings or improvements upon the Premises or for the purpose of constructing and erecting thereon other buildings and improvements in accordance with the rights set forth in Section 11, below.

# 11. Improvements, Changes, Alterations, Demolition and Replacement.

11.1 **Improvements.** Tenant shall have the right at any time and from time to time during the Term to make such improvements to the Premises and such changes and alterations, to any buildings, improvements, fixtures and equipment now or hereafter located on the Property, including demolition of any or all buildings and improvements now or hereafter located on the Property and replacement thereof, as Tenant shall deem necessary or desirable and subject to Landlord's prior approval, which approval will not be unreasonably withheld. Reasonable withholding of consent includes a determination by Landlord that such improvements may adversely impact upon Landlord's ability to use its adjoining property to serve its mission.

11.2 **Demolition.** Any demolition activity and all improvements, changes and alterations (other than changes or alterations of movable trade fixtures and equipment or improvements, changes or alterations involving costs less than Ten Thousand Dollars (\$10,000) pursuant to Section 11.1 above) shall be undertaken in all cases subject to the following additional conditions, which Tenant covenants to observe and perform:

11.2.1 No improvement, change or alteration, and no demolition and replacements shall be undertaken until Tenant shall have procured and paid for, so far as the same may be required from time to time, all municipal and other governmental permits and authorizations of the various municipal departments and governmental subdivisions having jurisdiction, and Landlord agrees to join in the application for such permits or authorizations whenever such action is necessary.

11.2.2 All work done in connection with any improvement, change, alteration or demolition and replacement shall be done promptly and in a good and workmanlike manner and in compliance with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governments and the appropriate departments, commissions, boards and officers thereof. All such work shall be at the sole cost and expense of Tenant.

12. **Damage or Destruction.** No loss or damage by fire or other cause required to be insured against hereunder resulting in either partial or total destruction of any building, structure or other improvement on the Property, shall operate to terminate this Lease or to relieve or discharge Tenant from the payment of rents or amounts payable as rent as they become due and payable, or from the performance and observance of any of the agreements, covenants and conditions herein contained on the part of Tenant to be performed and observed. Tenant hereby waives the provisions of subsection 2 of Section 1932 and subsection 4 of Section 1933 of the California Civil Code, as amended from time to time.

# 13. Assignment and Subletting.

13.1 **Tenant May Assign.** Subject to the provisions of Section 14 and Section 15.7 hereof, Tenant may assign this Lease, or any interest therein, at any time with Landlord's prior consent, which consent will not be unreasonably withheld, provided that, (i) no default exists in the performance or observance of any agreement, covenant or condition of this Lease on the part of Tenant to be performed or observed as of the date of such assignment, (ii) the assignment shall be in writing, duly executed and acknowledged by Tenant and the assignee, providing that the assignee assumes and agrees to perform and observe all the agreements, covenants and conditions of this Lease on the part of Tenant to be performed and observed, and (iii) an executed original of such assignment shall be delivered to Landlord.

- 14. [Reserved]
- 15. [Reserved]

# 16. Fire and Extended Coverage and Liability Insurance.

16.1 **During Construction.** During the period of the construction of any Improvements upon the Property, Tenant shall at its sole expense obtain and keep in force builder's risk insurance, insuring Tenant, Landlord, Lender, and such other parties as Tenant may designate as an additional insured hereunder, against all risks of physical loss and/or damage from any cause (exclusive of earthquake and subject to usual policy exclusions) to all structures, materials and real property to be improved, located on or forming a part of the Premises under improvement.

16.2 After Completion of Improvements. Tenant shall, at its sole expense, obtain and keep in force during the Term, after substantial completion of any Improvements upon the Premises fire and extended coverage insurance (excluding earthquake insurance) naming Landlord, Lender and such other parties as Tenant may designate, as additional insureds thereunder, on all improvements located on the Premises, and on all machinery, fixtures and equipment located therein. The amount of such insurance at all times during the Term shall not be less than one hundred percent (100%) of the actual replacement cost of such improvements shall be determined by Tenant at the time the fire and extended coverage insurance is initially taken out and periodically over time as to increases in value.

16.3 **General Liability Insurance.** Tenant shall, at its sole expense, obtain and keep in force after completion of all construction of the Improvements, general liability insurance with limits of not less than One Million Dollars (\$1,000,000) for injury to, or death of, any number of persons in one occurrence, and Two Million Dollars (\$2,000,00.00) in the aggregate; not less than One Million Dollars (\$1,000,000) for damage to property, insuring against any and all liability of Landlord and Tenant including, without limitation, coverage for contractual liability, broad form property damage, personal injury and non-owned automobile liability, with respect to the Premises or arising out of the maintenance, use or occupancy thereof, in an amount not less than One Million Dollars (\$1,000,000). All of such insurance shall insure the performance by Tenant of the indemnity agreement as to liability for injury to or death of persons and damage to property set forth in Section 18.2 hereof. It is the intent of the Parties hereto to maintain throughout the Term

of this Lease insurance coverage appropriate to a development of comparable size and of the standard of the Improvements, given changes in coverage and types of policies available, market conditions and other factors affecting insurance coverage generally. In this regard, not more frequently that once every three (3) years, either party may request modifications to the insurance coverage required to be maintained by this section to provide for coverage against the same or other insurable liability hazards that at the time are commonly insured against by prudent operators of other developments of comparable size and similarly situated, with due regard being given to the type of the Improvements and their use and occupancy.

16.4 **Workers Compensation Insurance**. Tenant shall maintain Workers Compensation insurance coverage in compliance with California law.

16.5 **Certificates of Insurance.** Upon the issuance thereof, each insurance policy or a duplicate or certificate thereof shall be delivered to Landlord and Lender. Nothing herein shall be construed to limit the right of Lender to cause Tenant to carry or procure other insurance covering the same or other risks in addition to the insurance specified in this Lease.

16.6 **Application of Proceeds.** All amounts that shall be received under any insurance policy specified in Sections 16.1 or 16.2 shall be first applied to the payment of the cost of repair, reconstruction or replacement of any improvements, or fixtures, equipment and machinery, that is damaged or destroyed. Any amount remaining from the proceeds of any such insurance funds, after the repairing, reconstructing and replacing of any improvements, or fixtures, equipment and machinery, as herein required, shall be immediately paid to and be the sole property of Tenant; provided that, if any governmental law or regulation governing land use prohibits the restoration or reconstruction of the buildings or improvements damaged or destroyed to their pre-casualty state, any excess insurance proceeds over restoration or reconstruction costs that are the consequence of such prohibition shall be allocated pursuant to the priorities set forth in Sections 19.1.1 and 19.1.2 below. If said insurance proceeds shall be insufficient in amount to cover the cost of repairing, reconstructing or replacing any buildings or improvements, or furniture, fixtures, equipment and machinery, as herein required, Tenant shall not be responsible to pay any deficiency.

17. **Mechanics' and Other Liens.** Tenant shall promptly discharge or remove by bond or otherwise prior to foreclosure thereof, any and all mechanics', materialmen's and other liens for work or labor done, services performed, materials, appliances, teams or power contributed, used or furnished to be used in or about the Premises for or in connection with any operations of Tenant, any alterations, improvements, repairs or additions that Tenant may make or permit or cause to be made, or any work or construction by, for or permitted by Tenant on or about the Premises, and to save and hold Landlord and all of the Premises and all buildings and improvements thereon free and harmless of and from any and all such liens and claims of liens and suits or other proceedings pertaining thereto. Tenant covenants and agrees to give Landlord written notice not less than twenty (20) days in advance of the commencement of any construction, alteration, addition, improvement or repair costing in excess of Twenty Five Thousand Dollars (\$25,000) in order that Landlord may post appropriate notices of Landlord's non-responsibility.

#### 18. Indemnity.

18.1 Tenant Can Contest Assessment. Tenant shall have the right to contest the amount or validity of any lien of the nature set forth in Section 17 hereof or the amount or validity of any tax, assessment, charge, or other item to be paid by Tenant under Section 5 hereof by giving Landlord written notice of Tenant's intention to do so within twenty (20) days after the recording of such lien or at least ten (10) days prior to the delinquency of such tax, assessment, charge or other item, as the case may be. In any such case, Tenant shall not be in default hereunder, and Landlord shall not satisfy and discharge such lien nor pay such tax, assessment, charge or other item, as the case may be, until ten (10) days after the final determination of the amount or validity thereof, within which time Tenant shall satisfy and discharge such lien or pay such tax, assessment, charge or other item to the extent held valid and all penalties, interest and costs in connection therewith. However, the satisfaction and discharge of any such lien shall not, in any case, be delayed until execution is had upon any judgment rendered thereon, nor shall the payment of any such tax, assessment, charge or other item, together with penalties, interest and costs, in any case be delayed until sale is made or threatened to be made of the whole or any part of the Premises on account thereof, and any such delay shall be a default of Tenant hereunder. In the event of any such contest, Tenant shall protect and indemnify Landlord against all loss, cost, expense and damage resulting therefrom.

Damage or Injury. To the fullest extent allowed by law, Tenant covenants and 18.2 agrees that Landlord shall not at any time or to any extent whatsoever be liable, responsible or in anywise accountable for any loss, injury, death or damage to persons or property which, at any time may be suffered or sustained by Tenant or by any person who may at any time be using, occupying or visiting the Premises or be in, on or about the Premises, from any cause whatsoever, except when such loss, injury, death or damage shall be caused by or in anywise result from or arise out of the gross negligence or intentional acts or omissions of Landlord. Furthermore, Tenant shall forever indemnify, defend, hold and save Landlord free and harmless of, from and against any and all claims, liability, loss or damage whatsoever on account of any such loss, injury, death or damage occasioned by any cause other than Landlord's intentional or negligent acts or omissions. Tenant hereby waives all claims against Landlord for damages to the improvements now or hereafter located on the Property and to the property of Tenant in, upon or about the Premises, and for injuries to persons or property in, on or about the Premises, from any cause arising at any time, except for any such claims arising from negligent or intentional acts or omissions committed by Landlord. Tenant's indemnity obligation set forth in this Section shall survive the termination or expiration of this Lease with respect to any claims or liabilities arising out of injury or damage to persons or property that occurs during the Term.

# 19. Eminent Domain.

19.1 **Substantial Taking.** If the whole of the Premises should be taken by any public or quasi-public authority under the power or threat of eminent domain during the Term, or if a substantial portion of the Premises should be taken so as to materially impair the use of the Premises contemplated by Tenant, and thereby frustrate Tenant's purpose in entering into this Lease, then, in either of such events, this Lease shall terminate at the time of such taking at Tenant's sole discretion. In such event, of the compensation and damages payable for or on account

of the Property, exclusive of the buildings and improvements thereon, Tenant and Lender, as their interests may appear, shall receive a sum equal to the worth at the time of the compensation award of the amount by which the fair rental value of the Premises exceeds the rental payable pursuant to the terms of this Lease for the balance of the Term; the balance of such compensation and damages shall be payable to and be the sole property of Landlord. All compensation and damages payable for or on account of the buildings and improvements located on the Property and constituting a part of the Premises shall be divided among Landlord, Tenant and Lender as follows:

19.1.1 All compensation and damages payable for or on account of buildings and improvements having a remaining useful life less than the remaining Term as of the date of such taking shall be payable to and be the sole property of Tenant and Lender, as their interests may appear; and

19.1.2 A proportionate share of all compensation and damages payable for or on account of buildings and improvements having a remaining useful life greater than the remaining Term as of the date of such taking, determined by the ratio that the then remaining Term bears to the then remaining useful life of such buildings and improvements, shall be payable to and be the sole property of Tenant and Lender, as their interests may appear, and the remaining share thereof shall be payable to and be the sole property of Landlord.

19.2 **Partial Taking.** If less than the whole of the Premises should be taken by any public or quasi-public authority under the power or threat of eminent domain during the Term and this Lease is not terminated as provided in subsection (a) above, Tenant shall promptly reconstruct and restore the Premises, with respect to the portion of the Premises not so taken, as an integral unit of the same quality and character as existed prior to such taking. There shall be a partial rebate of any rent as a result of such partial taking based upon the value of the taken Premises and the remaining Term. The compensation and damages payable for, or on account of, such taking shall be applied to the reconstruction and restoration of the Premises by Tenant pursuant to this Section 19.2 by application, first, of any sums payable for or on account of the buildings and improvements situated on the Property, and second, of any sums payable for or on account of the Property exclusive of such buildings and improvements. The remainder, if any, after reconstruction and restoration of the Premises shall be divided among Landlord, Tenant and Lender in the manner provided in Section 19.1 above.

19.3 **Termination of Lease.** Except as provided in Section 19.1, no taking of any leasehold interest in the Premises or any part thereof shall terminate or give Tenant the right to surrender this Lease, nor excuse Tenant from full performance of its covenants for the payment of rent and other charges or any other obligations hereunder capable of performance by Tenant after any such taking, but in such case all compensation and damages payable for or on account of such taking shall be payable to and be the sole property of Tenant and Lender.

19.4 **Resolution of Disputes.** Should Landlord and Tenant for any reason disagree (i) as to whether any portion of the Premises taken is so substantial as to impair materially the use of the Premises contemplated by Tenant and thereby trigger Tenant's termination right in Section 19.1, (ii) on the division of any compensation or damages paid for or on account of any taking of all or any portion of the Premises, or (iii) on the amount by which the rent payable by Tenant

hereunder is to be equitably reduced in the event of a partial taking, then, and in any of such events, the matter shall be determined by arbitration in the manner provided in Section 30 hereof.

20. Landlord's Right of Inspection. Landlord may, at any reasonable time and from time to time during the Term, enter upon the Property for the purpose of inspecting the buildings or improvements now or hereafter located thereon and for such other purposes as may be necessary or proper for the reasonable protection of its interests.

21. **Tenant's Defaults and Landlord's Remedies.** It shall be an event of default hereunder (each an "Event of Default") if (i) default shall be made by Tenant in the punctual payment of any rent or other moneys due hereunder and shall continue for a period of fifteen (15) days after written notice thereof to Tenant; (ii) default shall be made by Tenant in the performance or observance of any of the other agreements, covenants or conditions of this Lease on the part of Tenant to be performed and observed and such default shall continue for a period of thirty (30) days after written notice thereof to Tenant, or, in the case of a default that cannot be cured by the payment of money and cannot be cured within thirty (30) days, shall continue for an unreasonable period after such written notice; or (iii) Tenant shall abandon the Premises. Upon the occurrence of any Event of Default by Tenant hereunder, Landlord shall have the following rights and remedies, in addition to all other rights and remedies of Landlord provided hereunder or by law:

21.1 **Lease Termination.** The right to terminate this Lease, in which event Tenant shall immediately surrender possession of the Premises with all improvements and pay to Landlord all rent and all other amounts payable by Tenant hereunder to the date of such termination.

21.2 **California Remedies.** Any other remedies as permitted under California law but not those remedies detailed in California Civil Code Section 1951.2 (or any successor statute thereto).

22. **Nonwaiver.** If any action or proceeding is instituted or if any other steps are taken by Landlord or Tenant, and a compromise part payment or settlement thereof shall be made, either before or after judgment, the same shall not constitute or operate as a waiver by Landlord or Tenant of any agreement, covenant or condition of this Lease or of any subsequent breach thereof. No waiver of any default under this Lease shall constitute or operate as a waiver of any subsequent default hereunder, and no delay, failure or omission in exercising or enforcing any right, privilege or option under this Lease shall constitute a waiver, abandonment or relinquishment thereof or prohibit or prevent any election under or enforcement or exercise of any right, privilege or option hereunder. No waiver of any provision hereof by Landlord or Tenant shall be deemed to have been made unless and until such waiver shall have been reduced to writing and signed by Landlord or Tenant, as the case may be. The receipt by Landlord of rent with knowledge of any default under this Lease shall not constitute or operate as a waiver of such default. Payment by Tenant or receipt by Landlord of a lesser amount than the stipulated rent or other sums due Landlord shall operate only as a payment on account of such rent or other sums. No endorsement or statement on any check or other remittance or in any communication accompanying or relating to such payment shall operate as a compromise or accord and satisfaction unless the same is approved in writing by Landlord, and Landlord may accept such check, remittance or payment without prejudice to its right to recover the balance of any rent or other sums due by Tenant and pursue any remedy

provided under this Lease or by law.

#### 23. No Merger.

23.1 **No Merger with Other Estates.** There shall be no merger of the leasehold estate created by this Lease with any other estate in the Premises, including the fee estate, by reason of the fact that the same person may own or hold the leasehold estate created by this Lease, or an interest in such leasehold estate, and such other estate in the Premises, including the fee estate, or any interest in such other estate; and no merger shall occur unless and until Landlord, Tenant and any Lender shall join in a written instrument effecting such merger and shall duly record the same.

23.2 **Termination of Lease.** No termination of this Lease shall cause a merger of the estates of Landlord and Tenant unless Landlord so elects and any such termination shall, at the option of Landlord, either work a termination of any sublease in effect or act as an assignment to Landlord of Tenant's interest in any such sublease.

24. **No Partnership.** It is expressly understood and agreed that Landlord does not, in any way or for any purpose by executing this Lease, become a partner of Tenant in the conduct of Tenant's business, or otherwise, or a joint venturer or a member of a joint enterprise with Tenant.

#### 25. Covenants Run With Land.

25.1 **Binding on Successors.** The agreements, covenants and conditions in this Lease are and shall be deemed to be covenants running with the land and the reversion and shall be binding upon and shall inure to the benefit of Landlord and Tenant and their respective successors and assigns and all subsequent Landlords and Tenants respectively hereunder.

25.2 **References.** All references in this Lease to "Tenant" or "Landlord" shall be deemed to refer to and include successors and assigns of Tenant or Landlord, respectively, without specific mention of such successors or assigns.

26. Notices. Except as otherwise provided hereunder, any notice or communication to Landlord, Tenant or Lender shall be in writing and be mailed by certified mail, postage prepaid. Notices or communications shall be addressed to Landlord at 450 E. Romie Lane, Salinas, CA 93901 or such other address or addresses as Landlord shall from time to time designate, or to such agent of Landlord as it may from time to time designate, by notice in writing to Tenant. Notices or communications shall be addressed to Tenant, Attn: PACS, 262 North University Ave., Farmington, UT 84025 or such other address or addresses as Tenant shall from time to time designate, or to such agent of Tenant as it may from time to time designate, by notice in writing to Landlord. Notices or communications to Lender shall be addressed to Lender at such address as Lender shall from time to time designate by notice in writing to Landlord. All notices, communications and deliveries hereunder shall be made in writing signed by the party making the same, shall specify the Section hereunder pursuant to which it is given or being made, and shall be deemed given or made on either 1) the date delivered if delivered in person, 2) on the date initially received if delivered by facsimile transmission followed by registered or certified mail confirmation, 3) on the date delivered if delivered by a nationally recognized overnight courier service or 4) on the

third (3<sup>rd</sup>) business day after it is mailed if mailed by registered or certified mail (return receipt requested), with postage and other fees prepaid.

27. Limitation of Landlord's Liability. In the event of any transfer of Landlord's interest in this Lease, the Landlord herein named (and in case of any subsequent transfer, the then transferor) shall be automatically freed and relieved from and after the date of such transfer of all personal liability for the performance of any covenants or obligations on the part of Landlord contained in this Lease thereafter to be performed. However, any funds in the hands of Landlord or the then-transferor at the time of such transfer, in which Tenant has an interest, shall be turned over to the Tenant. Furthermore, upon any such transfer, the transferee shall expressly assume, subject to the limitations of this Section 27, all of the agreements, covenants and conditions in this Lease to be performed on the part of Landlord, it being intended hereby that the covenants and obligations contained in this Lease on the part of Landlord shall, subject as aforesaid, be binding on each Landlord, its successors and assigns, only during its period of ownership.

28. **Estoppel Certificates.** Tenant or Landlord, as the case may be, will execute, acknowledge and deliver to the other and/or to Lender, promptly upon request, its certificate certifying (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the modifications), (b) the dates, if any, to which the rent and other monetary obligations have been paid, (c) whether there are then existing any charges, offsets or defenses against the enforcement by Landlord of any agreement, covenant or condition hereof on the part of Tenant to be performed or observed (and, if so, specifying the same), and (d) whether there are then existing any defaults by Tenant in the performance or observance by Tenant of any agreement, covenant or condition hereof on the part of Tenant to be performed or observed and whether any notice has been given to Tenant of any default which has not been cured (and, if so, specifying the same). Any such certificate may be relied upon by a prospective purchaser, mortgagee or trustee under a deed of trust of the Premises or any part thereof.

29. **Holding Over.** This Lease shall terminate without further notice upon the expiration of the Term or, in the event either party gives notice of early termination as provided herein, the Termination Date, and any holding over by Tenant after either of expiration of the Term, or the Termination Date shall not constitute a renewal hereof or give Tenant any rights hereunder or in or to the Premises, except as otherwise herein provided, it being understood and agreed that this Lease cannot be renewed, extended or in any manner modified except in writing signed by Landlord and Tenant.

30. **Arbitration.** Whenever, under any provision of this Lease, arbitration is required, then the matter shall be determined by arbitration under the rules of the Judicial Arbitration and Mediation Service (also known as "JAMS"), or its successor in interest, or if there is no successor, then under the rules of the American Arbitration Association (collectively the "Arbitration Service"), in Monterey County, California, with one arbitrator to make such determination.

30.1 **Selection of Arbitrator.** Landlord and Tenant shall select one neutral arbitrator from the panel presented by the Arbitration Service within thirty (30) days of notice of one party to another of the need to commence arbitration. If Landlord and Tenant cannot mutually agree

#### Board Paper: Finance Committee

| Agenda Item:       | Consider Recommendation for Board of Directors to approve procurement to replace our fleet of BD Infusion IV Pump equipment    |
|--------------------|--|
| Executive Sponsor: | Carla Spencer, Associate Chief Nursing Officer<br>Lisa Paulo, Chief Nursing Officer<br>Clement Miller, Chief Operating Officer |
| Date:              | April 22, 2024   |

#### **Executive Summary**

The clinical departments are requesting approval to enter into a new agreement with BD (Carefusion/Alaris) to replace our aging fleet of IV Infusion Pump equipment. Our current equipment ranges from 7yrs to 22 years old. Average life span for this equipment is 5-7 years.

The Infusion pumps allow for the precise delivery of fluids and medications, reducing the risk of errors and improving patient outcomes. Increased safety, as the infusion pumps can be programmed with safety limits to prevent over or under-dosing a patient, reducing the risk of adverse events.

#### Background/Situation/Rationale

On July 21, 2023, BD receives FDA 510(k) Clearance to update their BD Alaris Infusion Systems. This FDA approval contains requirements that all Alaris Infusion equipment must be brought up to the new standard.

Then on Sept 9, 2023, we received notice from BD that they have finalized their FDA Remediation Plan on how they will execute the FDA requirement to upgrade all equipment;

\*Units 6 years or newer will be upgraded at no cost to their Members.

\*Units 7 years or older will need to be upgraded at reduced cost to their Members.

Following this announcement, we did a Market review for IV Infusion pump equipment, there are 7 vendors in this category, with BD at 43% market share and ICU Medical at 36% market share.

We invited ICU Medical to share with SVH leaders, their technology, and provide comparable opportunity.

The outcome of the inquiry confirmed that BD provided the lowest responsive responsible outcome.

#### Timeline/Review Process to Date:

[4/2021] BD submitted a 510 (k) notice to FDA for modifications: Software and Hardware

[7/2023] BD received approval of their 510 (k) clearance from the FDA, with Remediation needed

[9/2023] BD and FDA finalized FDA Remediation plan, held webcast to update Members

[10/2023] Discussion with BD on pricing

[10/2023] SVH started Market review for IV Infusion pump vendors

[1/2024] BD provides initial remediation quotes to SVH

[2/2024] ICU Medical presentation to SVH

[3/2024] SVH compares opportunity, selects the lowest responsive, responsible vendor

# Monthly Scorecard Quality & Safety Processes – ER (5%)

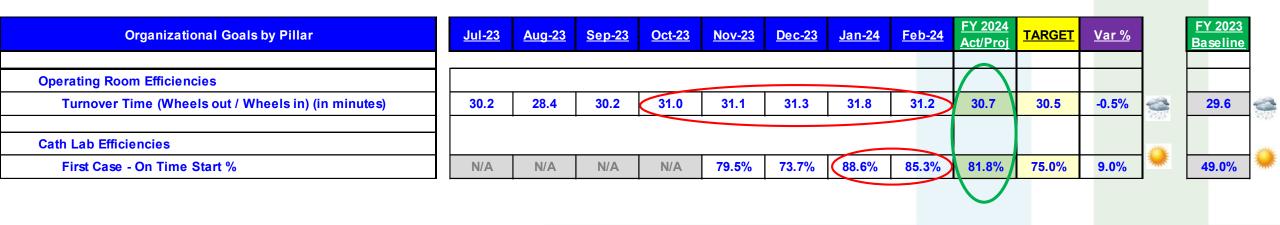

#### Source: Meditech

**ER - LOS for Non-Admits in Minutes:** Data Criteria: Calculate the median LOS in minutes for ER Outpatients for each month & YTD for cases in ER (excludes inpatients and patients leaving against medical advice or left without being seen.) Maximum is based the FY23 Baseline. The Target is a 3 minute increase from the Max, and the Threshold is a 6 minute increase from the Max. **Rationale:** SVMH ER has recently experienced a higher volume level, including a surge of patients and provider turnover. According to CMS, the latest available data from 2021 indicates that the State Rate is 196 minutes and the National Rate is 203 minutes for comparable size hospitals.

**ER - Time to Admit in Minutes:** Data Criteria: Calculate the median time for inpatients from admit decision to time of admission to nursing unit in minutes (includes observation cases). Baseline = Threshold is based on FY 2023 Actuals. The Target is a 2 minute decrease from the Baseline, and the Max is a 4 minute decrease from the Baseline.

**Rationale**: The ER average daily census is currently averaging at about 186 patients a day compared to the baseline period of 128 (Jul21-Jan22), or a **45%** increase in ER census. We also have continued challenges with COVID and respiratory isolation. The vast increase of volume leads to limited space availability and delays. We have put forth a new initiative called the "Big 5 Handover Process", which is a streamline handover process between the ED and nursing units, which may reduce admit time.

# Monthly Scorecard Quality & Safety Processes – OR & Cath Lab (5%)

**OR Turnover Time Measurement:** Source is from the **PICIS OR Nurse Record**. Calculate minutes elapsed between the wheels out & wheels in of the next case. Only cases where the time difference is less than or equal to 60 minutes will be included because breaks are often scheduled in a day. Due to MD availability, cases that exceed 60 threshold minutes will not count as a turnover. Excludes non-scheduled cases. Measurement applies to cases for the same physician and same room only. Data will be partition by actual date rather than previously scheduled date. **National benchmarks range from 25 to 38 minutes.** FY 2024 Goals are set at a level to continue high efficiency performance and strive to maintain sustainability at these levels. Planning to reduce minutes may cause patient safety risks and other concerns, especially considering the Covid-19 ongoing pandemic and the impact its had in our hospital capacity as well as in our perioperative operations. Additionally, our OPS department has moved over to the other side of the building into 1 Main, which means the nurse, anesthesiologist and surgeon now have to go that distance to interview and mark the patient. While this isn't a huge distance, it can add 1-2 minutes to each start and/or turnover.

#### Cath Lab Percentage of 1st case On Time Start Time

- > Source is from Meditech Community Wide Scheduling for the first case scheduled in each Cath Lab, where the scheduled time is from 7:00 am to 9:00 am
- > Conscious sedation patients prepped and draped 5 minutes before the scheduled start time as measured by "Patient Ready" note charted in McKesson/CPACS
- Anesthesia patients prepped and draped within 60 minutes of scheduled start time as measured by "Patient Ready" note charted in McKesson/CPACS
- Measurement period is from November 2023 through June 2024. This is due to adjustments made to the Cath Lab scheduling policy, provider notification and 4 implementation time.

#### **Hospital Acquired Conditions**

Source: National Healthcare Safety Network (NHSN) & BD Health Insight Interface

#### Hospital Acquired Conditions will be measured quarterly

Rationale for Targets: Utilizing CMS/NHSN/Magnet benchmarks and last years FY targets for sustainment and ongoing prevention practices. Process improvement measures for Falls, HAPIs, CLABSI, CAUTI,CDI and SSI processes are in place.

- > Falls with injury: NDNQI Magnet benchmark 0.5- our outcomes in FY2022 and FY2023 are meeting the benchmarks
- HAPI- stage 2 and Deep tissue injuries are added to the CMS measures already reported (currently stage 3,4 and unstageable events are reported)- goal expanded. No current benchmark. We have already improved the outcomes in FY 2023 over FY 2021- we are proposing to keep/sustain the current outcomes. Displayed as a rate: number of pressure injuries /over 1000 patient days.
- CLABSI (Central Line Associated Bloodstream Infection), Health & Human Services 2023 Goal for CLABSI: SIR <0.50. An HAI Event can create increases above the benchmark SIR due to low utilization. Example: FY Q2 2021 1 CLABSI increased the SIR to 0.63. We will utilize a rate methodology: number of infections/ over 1000 line days this rate is not risk adjusted like the SIR rate is but it provides us with the ability to display outcome measures after the close of the month instead of waiting from NHSN for benchmarked data. This is important for rapid continuous improvement work.</p>
- CAUTI (Catheter Associated Urinary Tract Infection) Health & Human Services 2023 Goal for CAUTI: SIR <0.75. An HAI Event(s) can create increases above the benchmark SIR due to low utilization. Example: FY Q4 2022 1 CAUTI increased the SIR to 0.72. We will utilize a rate methodology: number of infections/ over 1000 line days this rate is not risk adjusted like the SIR rate is but it provides us with the ability to display outcome measures after the close of the month instead of waiting from NHSN for benchmarked data.</p>
- CDI (Clostridium Difficile Infection), Health & Human Services 2023 Goal for CDI: SIR <0.70. We will utilize a rate methodology: number of infections/ over 1000 patient days this rate is not risk adjusted like the SIR rate is but it provides us with the ability to display outcome measures after the close of the month instead of waiting from NHSN for benchmarked data.</p>
- SSI (Surgical Site Infections), Health and Human Services 2023 Goal for SSI <0.70. We will utilize a rate methodology: number of infections/ over 1000 procedure days this rate is not risk adjusted like the SIR rate is but it provides us with the ability to display outcome measures after the close of the month instead of waiting from NHSN for benchmarked data.</p>
